- Clinics are FREE but donations are appreciated.
- Cats and ferrets must be in secure containers
 - One animal per container if possible
- Dogs must be on a secure leash
- Children under the age of 18 must be accompanied by an adult
- Animals must be at least 3 months of age to be vaccinated.
- No identification for owners or animals is required.

Reminder: Because we have documented rabies in Ontario County, it is New York State law that ALL dogs, cats and ferrets in Ontario County be vaccinated against rabies.
